I am selling this fantastic machine! It is a 4 seat 2016 polaris rzr turbo. Have almost 30k into it. It has everything. Winch with wireless remote, polaris light bar, wide fender kit, 5 point 50 caliber racing harness all the way around, new belt, back up camera system, and much more. I'm asking 21,000 but make me a solid offer and let's see what we can do. 307-710-7830.
